

Walmer and Kingsdown Juniors Award lunch

The annual lunch for Juniors was held at Walmer and Kingsdown Golf club. Prize winners were awarded their trophies and gifts were given to each Junior to mark their first season in the East Kent Junior League.

The team finished runners up to North Foreland, but the league was very close with the result being decided on the last match of the season. There were some great debuts by Junior members and they take their experience into this year's competition

As well as representing the club in the East Kent League, there are opportunities for Junior Golfers to win one of four major trophies.

The May Trophy, played during half term week and the Willis plate, donated by last year's lady Captain, Jane Willis and played during the summer vacation were new additions, along with the Order of Merit and Club Junior Handicap Champion.

Winner of the May Trophy was Joe Elmore

Winner of the Willis plate was Jake Vickers
